ADDRESS: _____

E-MAIL: _____ **T-SHIRT SIZE:** _____

HEART is a group of volunteers that teach health education to adults, youth and children from a Christian perspective. People from all different faiths travel with HEART. What is your spiritual background? _____

Adult education includes these health issues: HIV/AIDS, TB, Malaria, Typhoid, Hepatitis B and general public health such as hand washing, nutrition and food preparation. We also host medical camps. Are you a medical professional? _____

Please describe: _____

HEART also teaches on marriage, family life and spiritual issues from a Christian perspective. Have you taught any of these subjects in the past? _____

Please describe type of teaching you have done and topics you have taught.

HEART works often in the village churches and communities. Travel is difficult and can be dangerous. You would be a participant in various village churches while in Africa. HEART team members are to dress appropriately. Women are to wear modest apparel dresses or skirts and men wear nice slacks, shirt and tie. Would this be something you could comply with? _____

HEART reaches youth with the message of HIV/AIDS prevention with an abstinence emphasis. Have you ever taught youth? (13-19 year olds) _____

What is your past experience with youth?

HEART also teaches children (sometimes hundreds at a time) using puppetry, flannel graph, etc. on health issues and Christian education. Have you ever worked with children before?

What is your past experience with children?

What area of work are you most interested in? (Check all that apply)

Teaching:

Children _____

Compassion/Hope _____
Health Issues _____

Hands on work in orphanages _____ Clinics _____ Other _____

Have you ever traveled with a mission team before? _____
Please explain: _____

Have you traveled outside the USA? _____ Please explain: _____

What do you hope to experience on this trip with HEART?

HEART Teams have daily morning devotionals/prayer together (about 30 minutes). You will be expected to attend. Would you also be willing to be a part of the rotation to teach these devotionals? _____

(Teaching is optional). This is also the time daily to debrief about the previous day's experiences and plans for this day's schedule.

Do you have any personal health issues that we should be aware of in case of emergency? Please list **all** conditions such as asthma (there is a lot of dust/dirt/fumes in the air), physical limitations or special dietary needs:

HEART is a working team. I can promise you that you will have an experience of a lifetime. But this is not a sight seeing adventure, although you will see many things that most tourists do not have the opportunity to experience. We stay in the villages with the National leaders.

Passport Travel Immunization Card (Please check that you have these)

How did you hear about HEART?

Please fill out this application completely and return it with a current photo (passport photo if available, otherwise one with you without sunglasses, hat or other people in photo) to:

HEART
P.O. Box 631964
Highlands Ranch, CO 80163-1964
(303) 730-3779

All applications will be reviewed by the HEART staff before acceptance as a member of the HEART team. If accepted as a Team Member you will also be asked to sign a "release of liability" form and fill out a confidential medical form. Team members must purchase travel insurance.

Thank you for your interest in HEART and joining our work in Africa!
